

BEFORE THE PUBLIC SERVICE COMMISSION

OF THE STATE OF DELAWARE

IN THE MATTER OF THE APPLICATION OF)	
CHESAPEAKE UTILITIES CORPORATION)	
TO REVISE ITS TARIFF RELATING TO ITS)	PSC DOCKET NO. 18-0126
ANNUAL RATE CLASS REVIEW PROCESS)	
(FILED FEBRUARY 20, 2018))	

ORDER NO. 9208

AND NOW, this 24th day of April, 2018, the Delaware Public Service Commission ("Commission") determines and orders the following:

WHEREAS, on February 20, 2018, Chesapeake Utilities Corporation ("Chesapeake" or the "Company") filed with the Commission an application (the "Application") requesting to modify its tariff as to certain rate schedules under its internal annual rate class review process; and

WHEREAS, the Company proposes to modify parts of its tariff defining the 12-month end date for its customers consumption data used for its internal annual rate class review process for Rate Schedules Residential Service - 1 ("RS-1"); Residential Service - 2 ("RS-2"); Expansion Area Residential Service - 1 ("ERS-1"); Expansion Area Residential Service - 2 ("ERS-2"); General Service ("GS"); Expansion Area General Service ("EGS"); Medium Volume Service ("MVS"); Expansion Area Medium Volume Service ("EMVS"); Large Volume Service ("LVS"); and High Load Factor Service ("HLFS"); and

WHEREAS, the Company's proposed tariff modifications were attached to its original Application; and

WHEREAS, on February 21, 2018, the Delaware Division of the Public Advocate ("DPA") filed its Statutory Notice of Intervention;

and

WHEREAS, on April 17, 2018, after reviewing the Company's Application and conducting its own research and investigation, Commission Staff ("Staff") submitted a Memorandum recommending that the Commission approve the Application; and

WHEREAS, pursuant to 26 Del. C. § 201(a), the Commission has exclusive original supervision and regulation of this matter; and

WHEREAS, the Commission has reviewed the Application and Staff's April 17, 2018 Memorandum, and based thereon, we find that the Application proposing to change the Company's tariff language related to its annual natural gas consumption rate class review process from using twelve months data ending in August to using twelve months data ending in May is reasonable and adequate and should therefore be approved;

**NOW, THEREFORE, IT IS HEREBY ORDERED BY THE AFFIRMATIVE
VOTE OF NOT FEWER THAN THREE COMMISSIONERS:**

1. That the Commission approves the Company's request to change its tariff language for its annual rate class review process which uses twelve months data ending in August to using twelve months data ending in May.

2. That the Company shall submit revised tariff sheets and update its electronic tariff within five (5) business days from approval of this Order.

3. That the Commission reserves jurisdiction and authority to enter such further orders in this matter as may be necessary or proper.
